Spring Cleanup

Warmer days are just around the corner. Now is a good time to make a checklist of things to improve for maximum curbside appeal. Many homeowners have neglected to maintain their lawns and beds. Let's all pitch in to help make Trotters Pointe a premier community to live and invest in!

Dues/Debt Collection

We would like to thank all of those homeowners who pay their association dues by the scheduled due date. Considerable resources are wasted trying to collect delinquent dues. If you need to make payment arrangements please contact Briden Management at 248-921-3909 bridenmanagement@aol.com. The payment of yearly dues are the responsibility of each homeowner as outlined in the TPHA By-Laws. Any costs associated with the collection of past dues are assumed by the homeowner, including all legal fees.

2013 Dues \$300 due by 3/1/13

*\$25.00 Late fee(s) added 3/1/13

*\$25.00 Late fee(s) added 9/1/13

Please Help

Volunteers are needed to fill committees such as Social, Rules and Regulations, Welcoming etc. Ideas for new events are always welcome and so are people to help organize them.

Winter Parking

City of South Lyon parking restrictions are from:
November 1st to March 31st
2:00 AM - 6:00 AM

There will be no parking allowed on any city street during these hours. This ordinance is enforced for snow removal purposes. Cars parked in violation will be ticketed by the police.

Sidewalk Snow Removal

City ordinances require that all sidewalks and driveways need to be cleared of snow and ice within 24 hours of snow fall. This is for everyone's safety, especially the kids that walk to school or the bus-stop. If you happen to live next to or near a vacant home, please be neighborly and plow the sidewalk in front of that home. This will be greatly appreciated by everyone.

Pet Cleanup

During the winter months we tend to neglect cleaning up our dog droppings. Please be courteous to other homeowners and clean-up after your pets. This applies to all private property, common areas and especially along our paths!

Recreation Vehicle Storage

Please be aware that the open storing of recreational vehicles; boats, ATV's, motor homes, campers, etc. is prohibited. Please refer to the TPHA By-laws for more information.

Home Improvements

All exterior improvements such as additions, decks, painting, patios etc. as well as landscaping enhancements must be approved first by our Architectural Control Committee. Approval forms are available at our website www.trotterspointe.net.
